

2020-21 CLEARWATER (CLW) COMPETITIVE CLUB REGISTRATION FEES

7u: \$500 (excludes a Reimbursable Volunteer Fee)

8u - 10u: \$995 (includes a \$100 Reimbursable Volunteer Fee)

11u & 12u: \$1,262 (includes a \$100 Reimbursable Volunteer Fee)

13u & Up: \$1,450 (includes a \$100 Reimbursable Volunteer Fee).

VOLUNTEER FEE (already included in the Registration Fees for 8U & up):

Volunteerism is an essential and wonderful element to the success of the Chargers Soccer Club. Although we would love to have all families involved with all the great club activities throughout the season, we appreciate that not everyone has the ability or the time to volunteer. Included in your Registration Fee (for 8U & older), there is a \$100 volunteer fee. For those that do not wish to volunteer, nothing further will be required by the club.

For those that would like to volunteer to receive their \$100 Volunteer Fee reimbursement back (and thereby reducing your registration fees), just volunteer 10 hours in a club-organized role and document each shift with a Charger staff member signature on a [2020-21 Volunteer Log Form](#). When you get to 10 hours total, submit it and let us know if you would like that applied to your club dues balance, team fees balance or a mailed check.

CITY OF CLEARWATER REC CARD PURCHASE:

Please note that the City of Clearwater requires a valid City of Clearwater Recreation Card (good through 12/31/20) to be purchased/renewed at the applicable resident or non-resident fee in order to practice and play on City fields. All players must supply a copy of their purchase/renewal receipt to the club by 8/25/20.

For more information, please go to the [City Of Clearwater Parks & Rec](#) site.

TEAM FEES:

Each team also has **separate TEAM EXPENSES** based on the additional activity choices made for and by that team. Those items may be: Tournament Registration Fees, coach travel expenses for away tournaments, State Cup/Region Cup fees, referee fees for non-league games, special events your team may want to participate in, etc. Your Coach or Team Manager will provide information to you about any team expenses for your child's team and will collect those fees separately.

PAYMENT OPTIONS & DUE DATES:

If your child is offered a roster spot, you will be provided a registration link & directions to complete the official online registration through Got Soccer. That online system will give you the ability to register your child and set up your payment option & method. Acceptable forms of payment are credit cards, debit cards and echecks online. Families have 2 Options to pay their Club Registration Fees:

Option 1: PAY IN FULL - you can pay at the time of online registration the full amount listed in the Club Registration Fees section above (**including the non-refundable commitment fee**). This is the least expensive option as it does not include the convenience fee that the Option 2 payment plan includes. **Pay in full and save money!!**

OR

Option 2: PAYMENT PLAN – although Chargers competitive programs are NOT pay-as-you-go programs, to help our families fit soccer in their monthly budgets, you can pay in installments where the **non-refundable Commitment Fee deposit** is the first of those payments and the balance is paid over six months (August – January). Because the Chargers SC staff expends additional time tracking & collecting incremental payments, the payment plan option includes a convenience fee added to the overall fees. *Note: There is no convenience fee added if club dues are paid in one payment at the time of registration - Option 1 above.*
